Organizational Overview

Spiritual Empowerment For Success-N-Life is a Dallas, Texas based 501(c)(3) non-profit with a mission to assist our community in pure human uplift, with food, clothing, shelter, safety and security and through educational, transitional and personal developmental programs and activities.

We are committed to being the change we wish to see in the community, and we have a base of volunteers and fellow community members who lend their time, energy and resources to helping us keep our programs flowing for all who are in need.

The core of our focus is on the following 5 Program Pillars:

- * Food Distribution & Clothing Those in Need**
- * Prison-To-Positive Pipeline Programming/Activities/Events**
- * SECC Spiritual Empowerment Community Center (Phase I Development)**
- * After School Program**
- * Computer Enrichment & Computer Literacy Programs**

We are excited about our 2023 Program Year, and the Phase I Fundraising toward our Community Center! For those looking to donate toward our building fund or our 2023 Program Calendar, we'd like to thank you in advance for your contributions, and we will keep you in our database for the Final Reports at the end of this program year!

We are a collective display of human power and collective will! We founded this organization to make sure those who are in need have a place to go, food to eat, information to gain, and resources to help in times of transition.

We are the change we wish to see in this world, and we hope you will continue to stand with us as we continue to pour our time, energy and resources into those who need it most!
